Hi everyone! My name’s Tom McAlinden, I’m a first year law student, and I’d love to be your next JCR Vice President. I’ve had a fantastic time at Anne’s so far, and I want to ensure that as many members of the JCR have an experience like I and so many more have had. The community I’ve been able to grow into over the last term and a half is one I’ve been proud to join, and I want to do my part to ensure we keep the standard high and push even further.

A few ideas for what I want to achieve as VP:
- Support the President and the Committee to be efficient, reliable and representative of the JCR and its voice.
- Improve the online presence at Anne’s to give applicants and offer-holders a better view of our down-to-earth atmosphere by getting more people involved in our social media and hosting social media takeovers to give an insight into our Stanners’ daily routines.
- Establish links with other nearby colleges to help Freshers develop cross-college friendships early on in their first term.
- Open and monitor a Google Form to allow JCR members to give direct feedback on the Committee or any events held throughout the year.
- Work on openness about JCR activity and avoid over-reliance on Facebook, which could lead to some students missing out on the JCR’s work by instead reinvigorating the JCR website.
