

# RALLY FOR ALY

Part 2....

## About me:

Hi, my name is Bilal and I'm a first year History student.

I try and act edgy by saying I'm from Manchester but actually I'm from Warrington. That's basically my entire personality.

Back at home, I worked in my MP's office for 5 months, so I know how to listen to people's concerns and help resolve any issues they have.

After settling into St. Anne's so quickly, this is another opportunity for me to give back to the Stanners. I believe I have great ideas on how to improve the college and I'm always down to talk to anyone.

Although St. Anne's can be so much fun, I understand that sometimes we can encounter issues or feel low. As Vice President, I will do my best to make the college even more welcoming and comfortable for all students.

## My aims:

- More JCR-wide social activities (like sports days, picnics etc.)
- More opportunities to celebrate the diversity in St. Anne's (like culture days)
- More Creative Arts activities – the darkroom is one step towards this.
- To make sure the JCR voice is heard while St. Anne's undergoes major development – A new bar? A JCR room people want to spend time in?
- More charity events – such as a bake sale

**VOTE BILAL FOR VICE  
PRESIDENT!**

## Why should I be Vice-Pres?

Being your Freshers' Rep has been an amazing experience and I've learnt so much from the role. From attending JCR meetings and meeting senior members of the college, I tried my best to ensure that **your concerns were resolved, and your opinions were heard.**

When it came to the tyranny of Winchester Rd or the demands to reopen the darkroom in Woodstock, I communicated with those in charge to make sure steps were taken to listen to the JCR.

By being your Vice-President next year, I will continue to try make St. Anne's a better, more comfortable, and enjoyable place for the JCR.

As most of you already know, I hardly have any contact hours. Some of you think I don't work at all (Amy Langer). This means I have more time to listen to your suggestions and take action. If elected, I will continue to do my best to help everyone at college.
