

# Connor Craig for JCR Secretary

## A bit about me

Hi! I'm Connor (he/him), and I'm a second year studying Spanish and Portuguese. I absolutely love the community vibe of Anne's and wanted to be involved in the committee that helps run events that bring stanners together.

*Obligatory photo of me that I use basically everywhere because I think I look fancy in it- I will probably never look like this when you see me.*

## Why me?

- I can type quickly and accurately.
- I'm passionate about ensuring good communication between the committee and non-committee JCR members.
- I have experience with creating newsletters to inform others.

## My Aims

- Keep all members of the JCR informed about events that are going on, as well as other matters that might be relevant to them.
- Make sure that any information that is given is absolutely accurate to ensure there is no confusion amongst JCR members.
- Facilitate good communication between the JCR committee in their meetings, and the JCR as a whole in general meetings.
