For Domestic Affairs Rep

A little bit about me...

For those of you who don't already know me, I'm a second year PPE student. I'm (a little too) chatty, love a good pun, and live in a permanent state of essay chaos.

Last year my floor and I created a family meals system where every Sunday one person would cook for everyone. This allowed us all to bond and has made me realise just how important it is to prioritise good food and good company. I am really excited to run for domestic affairs rep so that I can give a bit back to the lovely St Anne's community, as well as giving me a valid reason to procrastinate :))

The Plan of Action:

1. Make **Oxmas** the best ever yet. I would ensure this year's Oxmas is buzzing, with brilliant decorations and activities to brighten the winter months.
2. Tackle the nightmare **room ballot system**. I'm sure you are all aware of how stressful and difficult the current system is for organising college accommodation. I would aim to make the process more transparent, and make it easier to co-ordinate living arrangements in advance.
3. Work with Environment Rep to create a **composting system**. Throwing away spare fruit and veg is such a waste, especially when it could be used to help nourish the beautiful St Anne's gardens. I would push to change this.

Why vote for me?

- I LOVE Christmas and all the surrounding festivities so I would greatly enjoy making the whole college merry this Oxmas :))
- I love making lists and I am very organised;
- I am approachable and always up for a chat about anything;
- I am a massive food lover and fully appreciate how important good food and a good environment to eat in is;
- I have prior experience organising and promoting events.

Thank you for reading my manifesto!!:))
