 - Equalities- more than expected.
 - Punts levy was cancelled last term- looking to reinstate that.

- Tortoise- can't keep it in college rooms we don't have anywhere to house it.
 - WA- can we put in a levy?
 - Could maybe put it in as a general motion for a tortoise levy.
 - We can't pay for a tortoise.
 - We only have so much money in the motions budget.
 - Maybe could ask everyone to put a small amount of money into a pot to buy the tortoise.
 - Still doesn't solve the issue that we have nowhere to house it.
 - This can be discussed in the GM.

- KP- Emailed college about the vegan motion that passed last week
 - All veggie options are now inherently vegan. This kind of is a step back, so there is now only 2 options between meat and vegan.

- VA- Halfway hall needs organising.
- PC- Movember photos.
 - Do a post- shaving shot tomorrow.

 - Reminder for everyone participating in Movember to join the team on the website.
 - We could put a motion through to put some money from this term's charity budget into the Movember pot.
- Any money leftover from the charity fund goes to designated charities at the end of the year.
