

# HANNAH WANG FOR VISITING STUDENT'S REP

01

## WHO AM I?

Hello! I am visiting from the United States, and am studying Experimental Psychology! Back home, I work as an EMT, and I love to travel and hike in my free time :)

## WHY VOTE FOR ME?

I have loved my time here at St. Anne's, and have met some wonderful people. I am passionate about helping incoming visiting students get acclimated to life here, and with my extroverted personality, I believe I would be a great fit for the role!

## MY IDEAS

- 1) plan a home-cooked Thanksgiving!
- 2) host welcome events for visiting students arriving in future terms
- 3) organize fun social events to help integrate visiting students into the St. Anne's community (think crewdates!)

## MY ACTIVITIES & HOBBIES

- 1) rowing and coxing for the St. Anne's Boat Club!
- 2) playing football (we don't say soccer here) with the Saints in Uni Parks
- 3) frequently attending crewdates
