

# Rosa for charities rep :))

Hi all, I'm Rosa, a first year chemist from way up north in Newcastle, and I'd love to be your charities rep for next year!! As cheesy as it is, I know how important it is to give back to the community, and I want to get as many of you lovely people involved in some fun stuff to raise money as possible.

I've been involved in volunteering/fundraising a lot at home and really enjoy it. As stuff gets back to normal, I want to help create opportunities for that here at Anne's.

## Why Vote for Me?

- ✓ **EXPERIENCE** : as head girl of my school of almost 2000, I've got a ton of experience organizing charity events, including themed awareness days and charity sports events. If I do say so myself, I'm a pro at cake sales
- ✓ **ORGANISATION** : I'm normally juggling a million things at once, so I've got a lot of practice getting stuff done efficiently and well
- ✓ **COMMITMENT** : Once I set my mind to something, I'm committed to doing a good job of it

## My Aims and Ideas

- ✓ **Fun events!!** As soon as it's safe to, I will organise in person events to raise money and make up for lost time (watch this space for charity karaoke?)
- ✓ **Set up a foodbank donation station in college** – sometimes adding a tin of tomatoes or some pasta to your shop doesn't seem like a lot but it can make a world of difference to someone in need
- ✓ **Create a resource collating local charities** looking for volunteers to make it easy to
- ✓ **Coordinate with the other JCR reps to host "crossover" events**, such as women's, disabilities, LGBTQ+, and BAME
- ✓ **Take your ideas on board!** I want to ensure we pick a cause everyone in college can get behind
