

Alfie Davis

Domestic Rep

Who am I? – Hi! I'm Alfie, I'm a first year geography student! I live in Bev 1/2 and I'm queer, working class and the first in my family to go to university – I love the accepting community at Anne's and would love to give back to it as domestic rep

Why me?

- Domestic Rep plays a big role in **organizing events**, which I rly enjoy!
 - Planning things is rly my strong suit as and I love keeping on top of things so I will be pulling out the spreadsheets etc
 - Domestic rep plans halfway hall: theme, décor, etc so hopefully u trust my limited taste level
- **I rly love Christmas** (which is one of my jobs)
 - Literally obsessed with it +will go all out on decorations
 - Tinsel will go on everything I'm allowed to put it on
 - < see there's even a photo of me w a Christmas tree
 - Will also work with other reps (ethnic minority, lgbt, etc) to help plan + decorate for other festivities (Eid, Hanukkah, pride month, Diwali and so on)
- **Tours!**
 - Will try and organize tours of accom in the weeks before **room ballot**
 - Will help ppl to plan and organize with their friends!
 - Wil try and do at least 2 of each accom
- Work with kitchen team to introduce **more vegan options**

Experience

- Lead Intersect News, team of 50 student writers from 20+ countries, so a lot of experience organizing things and staying motivated
- **Prom + yearbook committee in sixth form**
- Usually plan all my friends bday parties for them lol

Other reasons!

- I'm super friendly and chatty!
- As Domestic Rep, I'd be responsible for the important events in college! These are vital to the college experience and make sure everyone has a great experience at uni – I want to be a voice for every individual, as well as the college as a whole.
