

BETH FOR CHARITIES REP

ABOUT ME

I'm Beth (she/her), a first year psychologist living in Bev 1/2, originally from the West Midlands! In my spare time you can find me crocheting and sewing my own clothes, and denying the fact I have a Midlands accent.

WHY ME?

I was the St Anne's pink week college rep, coordinating pink week formal, charity pink gin in the bar, and distributing breast cancer awareness resources. I have also volunteered for Oxford Hub as a tutor since starting here.

MY AIMS

1. Post regularly on the JCR Facebook about volunteering opportunities in Oxford
2. Work with the equal opportunities committee to have a fundraising event in collaboration with each rep
3. Set up a permanent food bank box in the Danson room

FUNDRAISING IDEAS

- Welfare bake off with cakes made sold after
- Themed charity bops
- Sweepstakes
- Secondhand sale on the quad
- St Anne's Got Talent
- Pool tournament in the bar
