

# ACADEMIC AFFAIRS REP -

BETHANY ROBSON

## ABOUT ME:

Hey, I am a fresher studying for a master's in chemistry currently residing in ATB. In my spare time I enjoy surviving my chemistry degree, running (however not being very good at it), telling everyone I am from Newcastle and being in ABBAs top 0.5% listeners on Spotify.

I am interested in fulfilling the role for the academic affairs representative because I would love to be involved more in the St Anne's community that has welcomed me in over the past couple of terms.

## WHY I SHOULD BE THE ACADEMIC AFFAIRS REP:

- I have fantastic organisation and communication skills and will be able to attend to any academic concerns.
- I am extremely determined and hardworking and promise that I will use this to be a strong voice for undergraduates studying at St Anne's.
- I am a friendly and an understanding individual that undergraduates could see as a person for their academic concerns.
- Did I mention I study chemistry?

## MY AIMS:

- To listen to the undergraduates at St Anne's and co-operate them to voice their opinions of their academic studies.
- To communicate to senior staff the termly concerns of students to ensure that the maintenance of the supportive atmosphere of St Anne's.
- To highlight the most demanding parts of the term for the degrees studied at St Anne's and actively collaborate with the Welfare team to aid students at these points.
- To ensure that all voices are represented at St Anne's and there is an equal view of the academics studied here.
- To ensure that tutorial quality and tutor conduct is reported to the senior staff of St Anne's.
