About us

Hi, I'm Scarlett (she/her), a Historian from Edinburgh. When I'm not tearing it up on the lacrosse pitch, I like to binge Louis Theroux documentaries. My go-to drink is a pint of Tennants.

Hi, I'm Tom (he/him), a PPEist from Bristol. I enjoy going to gigs and festivals and my go-to drink is a pint of Thatchers (did I mention I'm from Bristol?)

Our aims

College Bar

We're keen to revamp the bar to make it a place people are enthusiastic about. Our ideas include a competition to pick a college drink, and revitalising the darts room, outdoor space and sound system.

Welfare

We aim to make sure everyone feels as safe and included in our events. We also would like to organise more non-alcoholic events that aren't solely welfare focused such as table tennis tournaments and wild swimming at Port Meadow.

BOPs

We already have lots of connections at other colleges and being outgoing, we'd like to make as many as possible so our BOPs can be varied and create opportunities to meet people from many different colleges.

Why choose us?

"Very tall - always easy to find in clubs."

"Seshiest (and sexiest) freshers."

"The obvious choice for ENTZ rep."
