## for JCR Secretary

Hi! My name is Teresa and I study PPE. I'd love to be your Secretary for next year :) I've been told my whole personality revolves around the fact that I'm vegan, I grew up in Malaysia, and I box.

### Why me?

- ✦ Conflict Resolution Training
- ✦ I love talking to and meeting new people!
- ✦ I used to go to touch typing club in primary so I have fast fingers + flexible and robust wrists from boxing for fast typing

### My Experience:

- ✦ Animal Ethics Society treasurer
- ✦ Interning with Malaysian Gibbon Conservation Society, lots of experience filling out fun bureaucratic forms
- ✦ Maths and Computer Science prefect + head of PROM committee in school, organised events and competitions, focus on \*Women In STEM\*

Vote for me :)
