FOR JCR ART'S REP

Who is Ashley?

Hi! I'm a third-year visiting student from the U.S. where I go to Columbia University. I study English & Politics here :) I love to read, write & dance!

My Experience

I am no stranger to artistic spaces, whether that be my role as Art & Design editor at my home institution's literary magazine Columbia Quarto or as a Newsletter editor for the Oxonian review where I correspond with mailing lists & create artistic page design! At Quarto, I work closely with creative writers to imagine their pieces digitally for our website! My first-year at university, wrote, designed, marketed & distributed my very own zine "To the Tune of the song Already Stuck In Your Head".

Why vote for me?

Art is a great way to connect with a community!

Sometimes we might feel to shy to express ourselves verbally, and I want to create time and the resources for people to express themselves through their art, which is something I've always relied on in childhood. I believe in safe space making for people of ALL identities—regardless of gender, sexuality, nationality or race!

My Ideas

1. Zine making! (putting together some diary entries, black out poems & magazine clippings)
2. Origami & wine night
3. Painting postcards to send back home
