

FRESHERS REP MANIFESTO KRISHH CHATURVEDI

INTRODUCTIONS

Hi! My name's Krishh and I'm an international student from India studying Chemistry. I've held several leadership roles in my school's student committee, including grade rep and prefect, so I have experience holding similar roles and communicating the views of a large group. More useless info about me:

- I can get lost in a good book for days
- I have mastered the art of procrastination of college work in just 6 weeks
- Taylor Swift music in the background is my comfort zone.

WHY ME?

Being a student in a new country and university has been a big adjustment, but the people at St. Anne's have been a great help and have really made me feel at home. I hope that, through my role as freshers rep, I can help make the college experience for everyone as awesome as possible and help everyone adjust and make the most of their time here!

Please don't hesitate to contact me in person or via WhatsApp for any issues you may have or anything you want me to raise with the JCR committee, I am quite open and approachable. Plus I would love any excuse to procrastinate my next tute sheet :)

WHAT WILL I DO?

- 100% show up for all JCR meetings and let the freshers know about important developments.
- Organize tons of events (drinking and non-drinking) during next freshers week and also throughout the year (with the help of the committee), so that everyone has several options for social events!
