- (2) The tortoise shall be placed equidistant from each leaf.
- (3) The leaf that the tortoise nibbles first represents its preference; e.g., should the tortoise nibble the “for” leaf first, the motion shall pass.

In all cases, the welfare of the tortoise is paramount; it is at the discretion of the Tortoise Officer to declare the tortoise fit to perform this duty. If it is deemed that the tortoise is not able to do so, then the Chair shall have the casting vote.
