

ACADEMIC REP – BELLA WHITMORE

About Me

Hey, I'm Bella, a first year, attempting to do my best to survive my law degree.

I'd love to contribute back to the Anne's community and ensure everyone feels welcome while promoting the academic interests of the students.

Why I should be Academic Rep

- I am a good listener and have great communication skills so will voice concerns.
- I am dedicated and will ensure to voice concerns.
- I am understanding and approachable so
- I study law – do I need to say more?

My Vision

- Ensure all undergraduates are aware of the welfare opportunities St Anne's offers.
- To allow students to communicate any concerns with tutorial quality.
- Work with the welfare team to ensure students feel supported in exam periods.
- Provide first years with the opportunity to get advice from second years on their course.
- Ensure people are aware of the opportunities Oxford has to offer e.g. the language centre and academic workshops.
