

Vote **GEORGIA** for **DOMESTIC REP!!**

A bit about me:

My name is Georgia - I am a **law** student from **North Devon!**
I am a **state-school** educated, **first generation**, **low income** student so understand how intimidating coming to Oxford can be.
Really passionate about **sport** - especially netball and dance.
Gin and coffee enthusiast <3
Love all things **nature** and involving the beach!

Why I would make a great domestic rep:

- Good people skills - will happily **chat** and liaise with many different groups to ensure smooth running of Anne's
- Friendly and approachable face so happy to **listen** to what people want and offer **support** to those who need it
- **Hard-working** and **organised** so will work quickly and effectively to get new ideas in motion
- Big fan of hall food (see picture below) so more than happy to work with the dining hall to make it even better!

My Experience:

- Head of **Prom Committee** at school so have very relevant experience in organising events and parties to make halfway halls an enjoyable event for everyone
- Ambassador for Anne's, Oxford for South West, and my previous school - good **communication** skills and experienced in leading tours of Anne's so can offer great accommodation tours!
- Dance teacher for two years before starting at Oxford giving me good communication and **creative** skills

My plans as domestic rep:

- Plan the **best halfway halls** Anne's has ever seen <3 (introducing challenges, organising a good DJ, Anne's themed decorations, more awards than ever before, and the best vibes for the best party)
- Work with the **RSH rep** to ensure those living out of college feel included and run **RSH specific events**, e.g welfare teas
- Work with the **ethnic minorities rep** to organise more affordable cultural and religious meals, and work with the dining halls to introduce labels for food specifying whether food is **halal and kosher**
- Work with the accommodation department to make **vacation residence** easier to apply for and more assistance for those who need it
- Get **cinnamon rolls** in STACS :)
- Keep up the great work introduced by Alfie this year including **holiday decorations** in the JCR (Diwali, XMAS, Eid, Chinese New Year)
