

# AMY SEAL FOR JCR SECRETARY

Hi everyone! I'm Amy, a History and Politics student with a love of all things organizational. Whether I'm typing up an essay at the speed of sound or planning out my entire term before even returning to Oxford - you can count on me to be on top of all things JCR related.

Other than that, here are some Amy facts:

One of my favourite movies is **Twilight**, and I will passionately defend it and ignore its (many) flaws      Amy to my friends, Amy Seal to my best friends

I have a genuine phobia of stickers (please do not give me a sticker I will have a breakdown)      I lived in Thailand for 5 years but never got a tan (too busy organizing tbh)

One of my favourite teachers once referred to me as an "ingrown toenail" (yeah..)
