

Senior Men's Coach

ST ANNE'S COLLEGE BOAT CLUB, OXFORD | 2025-2026

St Anne's College Boat Club (SABC) is looking to recruit a **Senior Men's Coach** for the academic year 2025/2026, who would be coaching the **St Anne's College M1**. The crew has a lot of momentum: the **fastest Anne's M1 in over a decade**, with competitive aspirations, and supported by a strong M2 and a developing M3.

We have seen success in eights and external regattas, and are hoping to do even more races next year. We are low in the divisions for Torpids and Eights given our ability - which means a **great chance at blades!** We have a great **Empacher shell; 8 Boathouse ergs; college gym; college erg room; and a coaching launch**. As one of the biggest Oxford colleges, we have a **huge talent pool** to draw from.

We are looking for an **ambitious, dedicated and hard-working** individual who will take responsibility for **athletic conditioning, technique, race plans, training plans and crew setting**. This role will help you grow in **experience**, develop your **leadership** and potentially **win competitions**, whilst getting paid. We are an incredibly **friendly club on a steep upward trajectory** (+2 in recent Eights).

COMMITMENT

The role demands 4-6 sessions a week (3-4 in the week and 1-2 on the weekend) during Oxford term time. Times and days will be regular. Generally: 6:30am, 5:30pm and 7pm during weekdays; any time on Saturday; 1pm or 3pm on Sunday.

We are looking also for someone to use paid time to create vacation training plans and to ensure athletic performance goals are being met.
